

Experts Group Workshop

How theory and technology evolution can support learning practices?

ATOS Innovation Centre (4 Triton Square, Regent's Place, London, NW1 3HG)
March 14th, 2014

Agenda

	8:30-8:50	Registration	
Session 1:	8:50 - 09:30	Setting up the scene and explaining the working method	
	8:50-9:00	Welcome, HoTEL supporting innovation	Claudio Dondi
	9:00-9:15	Setting the scene presentation: Introduction to learning technologies	Carmen L. Padrón
	9:15 - 9:25	Setting the scene presentation: Introduction to learning practices	Vana Kamtsiou
	9:25-9:35	Instructions and preparation for working together	Vana, Carmen, Claudio
Session 2:	09:45- 11:00	Mapping emerging technologies: Brainstorming on emerging technologies and preparing evolution map	
			Group session
Break	11:00 - 11:30		
Session 3:	11:30 - 13:00	Mapping emerging learning practices: Main features of those practices, related theories and how they can be supported by technologies	
			Group session
Lunch	13:00- 14:00		
Session 4:	14:30 - 17:00	Describe examples and find evidence, ways to move forward. Wrap up	
			Group session
